

Every Story Whispers His Name

There are lots of stories in the Bible, but all the stories are telling one Big Story: The Story of how God loves his children and comes to rescue them. It takes the whole Bible to tell this Story. And at the center of the Story, there is a baby. Every Story in the Bible whispers his name.

We will be taking our Early-Middle Elementary children's classes through the *Jesus Storybook Bible Curriculum*. Through these 44 stories, your children will discover that Jesus is at the center of God's great story of salvation – and at the center of their story, too.

Through memory verses, fun and engaging activities, and the stories within the award-winning *Jesus Storybook Bible*, your children will discover that Jesus loves them and that he is the Great Rescuer!

"I would urge not just families with young children to get this book, but every Christian! Sally Lloyd-Jones has captured the heart of what it means to find Christ in all the scriptures, and has made clear even to little children that all God's revelation has been about Jesus from the beginning."
